

Cavalier Athletics MISSION STATEMENT

The staff of the Coral Gables Senior High Athletic program is dedicated to the purpose of preparing each young man to become the best student-athlete and person they can be. Through our program each player is able to grow and develop physically, emotionally and academically.

It is our mission to instill the characteristics of discipline, commitment, loyalty, teamwork and perseverance. We believe these characteristics will provide each player with the skills necessary to be successful on the field and in the classroom.

CAVALIER Athletic supporters,

The Coral Gables High School Athletic program appreciates your support for the upcoming season. We are optimistic that we will rebuild a program which has such great history and working hard to make improvements to the playing field.

As a graduate and former Cavalier baseball player, I along with my assistants, look to lead this team in the right direction and hopefully capture its first district title in over ten years.

Thank you for being a part of the 3rd Annual Cavalier Athletic Golf Extravaganza. Your support is appreciated by the players, coaches, administration, and staff and will benefit the athletes on and off the field.

Thank you,

Philip Wisser
Head Baseball Coach
Coral Gables Senior High
